

INFORMATION SOCIETY 2018

Ljubljana – Slovenia

October 8th – 12th 2018

AS-IT-IC Workshop

»Jožef Stefan« Institut, Ljubljana, Slovenia

* Conference topics

The AS-IT-IC Workshop will be a forum for presenting the use cases and exchanging experience among academic and service industry partners on deploying intelligent information communication technology supported tools and services for enabling smarter tourism, as well as stimulating further adoption of such solutions through promotional activities and establishing direct collaboration between academia and industry.

The workshop is an activity of the Cooperation Programme Interreg V-A Slovenia-Austria 2014-2020 project Austrian-Slovenian Intelligent Tourist-Information Center (AS-IT-IC project). The main project output will be the operational center with human and virtual assistants enabling automatic answering to the tourism-oriented questions in natural language and performing services to enable trip planning in the Slovenian-Austrian cross-border region.

General public and stakeholders interested in innovative and intelligent ICT solutions that empower tourists and tourist workers are invited to the workshop.

REPUBLIKA SLOVENIJA
SLUŽBA VLADE REPUBLIKE SLOVENIJE ZA RAZVOJ
IN EVROPSKO KOHEZIJSKO POLITIKO

- Artificial intelligence
- Natural language understanding
- Virtual assistants
- Intelligent information search
- The impact of AI on the society
- Databases and data systems

*** Instructions for authors**

The Program Committee calls for papers on the topics of the conference, which can be academic or engineering, and should be accessible to a wide audience. The papers should be between 1 and 4 pages long and should be written in English. Template files including the formatting instructions are available at https://is.ijs.si/paper_submission.php. The authors should submit papers by email to jernei.zupancic@ijs.si. Acceptable formats are MS Word and LaTeX. The papers will be reviewed by the members of the Programme Committee. The accepted papers will be published in the conference proceedings.

*** Programme**

The accepted papers will be presented at the Workshop. By default, the presentations will be given in English and can include the demo of the presented system. Time allocated for each presentation will be approximately 15 minutes.

*** Registration**

At least one author is required to register for the Workshop, there is no registration fee for the AS-IT-IC Workshop, however, should one also wish to attend other conferences, registration fee is required. Please register by filling up the following form: <https://is.ijs.si/registration.php>.
