

## 10<sup>th</sup> International technology transfer conference – 10.ITTC

### CONFERENCE PROGRAMME

27 September and 9 – 13 October

27 September and 10 October

**Workshops on *How to prepare a pitch***

*Location: IPS lecture room at Jožef Stefan Institute*

9 to 11 October 2017

*Location: lobby of the main building, physics seminar room and the main conference room of the Jožef Stefan Institute*

**R2B meetings between researchers and companies**

<https://www.b2match.eu/r2bittc2017>

A matchmaking event is a quick and easy way to meet potential cooperation partners. Researchers meet the entrepreneurs and discuss their needs and offers. Each meeting lasts up to 30 minutes. Last years' brokerage event attracted over 60 participants from nine countries. The majority of participants are active in the field of ICT, physics, materials, environment, robotics, biotechnology, manufacturing etc.

**12 October 2017**
