

Multiconference Information Society 2020

COGNITIVE SCIENCE CONFERENCE

Call for papers

This year, the Slovenian Cognitive Science conference – organised by the Slovenian Society for Cognitive Science – will be held again as part of the multiconference Information Society at Jožef Stefan Institute, Ljubljana. We invite all researchers whose work relates to the field of cognitive science to present their work. All contributions from the field of cognitive science are welcome.

Every discipline contributes its own specific research methods, scientific language and formulations of results to the broader field of studying the mind. Therefore, papers from all constitutive areas of cognitive science will be considered: neuroscience, philosophy, artificial intelligence, psychology, linguistics, anthropology, educational sciences, economy and other applicable areas. The program committee will especially value works with interdisciplinary nature, attempting to bridge the gap between discipline-specific research approaches, terminologies and viewpoints.

In hope that the conference will foster an open space for networking, debate, and exchange of knowledge – connecting local and international, young and seasoned researchers – we invite all who wish to present their empirical or theoretical work to submit their extended abstracts.

Submission, peer review, publication

Please submit your extended abstract of 4 pages (including references) through the multiconference web platform (<https://is.ijs.si/>). Note that extended abstracts must be formatted according to the multiconference template that is available at the multiconference web platform.

Extended abstracts will be peer reviewed. Both English and Slovenian language papers are welcome. In case you will submit your work in Slovenian language, include English title, abstract and keywords in the manuscript. Each researcher can be the lead author of one manuscript.

Accepted papers will be published in the conference proceedings.

Longer versions of selected papers will be considered for publication in the interdisciplinary journal INDECS (<http://www.indecs.eu>).

Deadlines and dates

- Submission deadline: September 7st, 2020
- Notification to authors: September 11th, 2020
- Camera-ready papers (submission of the final version): September 20th, 2020
- Date of the conference: October 8th, 2020 (Note: in case of a higher number of accepted papers, the conference will also take place on the 9th of October.)

Multikonferenca Informacijska družba 2020

KONFERENCA KOGNITIVNA ZNANOST

Vabilo za prispevke

Kot je že tradicija, slovenska konferenca Kognitivna znanost, ki jo pod okriljem multikonference Informacijska družba na Institutu 'Jožef Stefan' v Ljubljani organizira Slovensko društvo za kognitivno znanost, tudi letos vabi vse raziskovalke in raziskovalce, ki se dotikate področja kognitivne znanosti, da predstavite svoje delo. Dobrodošli so vsi prispevki s področja kognitivne znanosti.

K spoznanjem na področju raziskovanja duševnosti vsaka disciplina prispeva specifične raziskovalne pristope, svoj znanstveni jezik in temu primerne formulacije spoznanj, zato bomo obravnavali prispevke z vseh konstitutivnih disciplin kognitivne znanosti: od nevroznanosti, filozofije, umetne inteligence, psihologije, jezikoslovja, antropologije do edukacijskih ved, ekonomije in drugih aplikativnih področij. Pri izbiri bodo imeli prednost prispevki interdisciplinarne narave, ki bodo poskušali premostiti vrzel(i) med raziskovalnimi pristopi, terminologijami in pogledi posamičnih disciplin.

V upanju, da bo letošnja konferenca odprla prostor za povezovanje spoznanj domačih in tujih, mladih in izkušenih raziskovalk in raziskovalcev, vabimo vse, ki bi si želeli predstaviti svoje raziskovalne rezultate ali teoretsko delo, da pošljete svoje prispevke.

Oddaja prispevkov, recenzentski postopek in objava

Prispevke oddajte v obliki razširjenih povzetkov (4 strani vključujoč reference) preko spletne strani multikonference (<https://is.ijs.si/>). Prispevki morajo biti formatirani v skladu s predlogo multikonference, ki jo najdete na spletni strani multikonference.

Prispevki so lahko napisani v slovenskem ali angleškem jeziku. V primeru, da so zapisani v slovenskem jeziku, morajo vsebovati angleški naslov, povzetek in ključne besede. Vsak avtor je lahko vodilni avtor enega prispevka. Prejeti prispevki bodo šli čez recenzentski postopek.

Sprejeti prispevki bodo objavljeni v konferenčnem zborniku.

Strokovni odbor bo izbrane prispevke predlagal (v razširjeni obliki) za objavo v interdisciplinarni reviji INDECS (<http://www.indecs.eu>).

Roki in datumi

- Rok za oddajo prispevkov: 7. september 2020.
- Obvestilo avtorjem: 11. september 2020.
- Rok za oddajo končne verzije prispevkov: 20. september 2020
- Datum konference: 8. oktober 2020, Ljubljana, Institut "Jožef Stefan" (v primeru večjega števila sprejetih prispevkov bo konferenca potekala tudi 9. oktobra).

Nadaljnje informacije
