COGNITIVE SCIENCE CONFERENCE

Call for papers

Slovenian Society for Cognitive Science announces the Cognitive Science Conference, which will be held again as part of the multiconference Information Society at Jožef Stefan Institute, Ljubljana. We invite all researchers whose work relates to the field of cognitive science to submit an abstract and present their work. All contributions from the field of cognitive science are welcome.

Every discipline contributes its own specific research methods, scientific language, and findings to the broader field of inquiry into mind. Therefore, papers from all constitutive areas of cognitive science will be considered: neuroscience, philosophy, artificial intelligence, psychology, linguistics, anthropology, educational sciences, economy, and other applicable areas. The program committee especially invites works with interdisciplinary nature, attempting to bridge the gap between discipline-specific research approaches, terminologies, and viewpoints.

In hope that the conference will foster an open space for networking, debate, and exchange of knowledge – connecting local and international, young and seasoned researchers – we invite all who wish to present their empirical or theoretical work to submit their extended abstracts.

Submission, peer review, publication

Please submit your extended abstract of 4 pages (including references), formatted according to the multiconference template, through the EasyChair platform (the links to the EasyChair conference platform and the template are available at the multiconference webpage: https://is.ijs.si/?page_id=14413).

Extended abstracts are peer reviewed. Both English and Slovenian language papers are welcome. In case you submit your work in Slovenian language, include English title, abstract and keywords in the manuscript. Each researcher can be the lead author of one manuscript.

Accepted papers will be published in the conference proceedings.

Longer versions of selected papers will be considered for publication in the interdisciplinary journal INDECS (<http://www.indecs.eu>).

Deadlines and dates

- Submission deadline: September 1st, 2021
- Notification to authors: September 10th, 2021
- Camera-ready papers (submission of the final version): September 20th, 2021
- Date of the conference: October 7th, 2021 (Note: in case of a higher number of accepted papers, the conference will also take place on the 8th of October.)

Further information

The language of presentation will be English or the language in which the abstract was submitted. Attending the conference is free of charge but authors of papers must register at the Information Society multiconference webpage (https://is.ijs.si/?page_id=12596) and pay the registration fee. For all students the conference fee is 25 euro, for alumni of the MEi:CogSci program, not employed and retirees 50 euro, for others 100 euro.

Multikonferenca Informacijska družba 2021

KONFERENCA KOGNITIVNA ZNANOST

Vabilo za prispevke

Slovensko društvo za kognitivno znanost tudi letos organizira konferenco Kognitivna znanost, ki bo potekala pod okriljem multikonference Informacijska družba na Institutu 'Jožef Stefan' v Ljubljani. Tudi letos vabimo vse raziskovalke in raziskovalce, ki se dotikate področja kognitivne znanosti, da pošljete razširjene povzetke in predstavite svoje delo. Dobrodošli so vsi prispevki s področja kognitivne znanosti.

K spoznanjem na področju raziskovanja duševnosti vsaka disciplina prispeva specifične raziskovalne pristope, svoj znanstveni jezik in temu primerne formulacije spoznanj, zato bomo obravnavali prispevke z vseh konstitutivnih disciplin kognitivne znanosti: od nevroznanosti, filozofije, umetne inteligence, psihologije, jezikoslovja, antropologije do edukacijskih ved, ekonomije in drugih aplikativnih področij. Pri izbiri bodo imeli prednost prispevki interdisciplinarne narave, ki bodo poskušali premostiti vrzel(i) med raziskovalnimi pristopi, terminologijami in pogledi posamičnih disciplin.

V upanju, da bo letošnja konferenca odprla prostor za povezovanje spoznanj domačih in tujih, mladih in izkušenih raziskovalk in raziskovalcev, vabimo vse, ki bi si želeli predstaviti svoje raziskovalne rezultate ali teoretsko delo, da pošljete svoje prispevke.

Oddaja prispevkov, recenzentski postopek in objava

Prispevke oddajte v obliki razširjenih povzetkov (4 strani vključujoč reference; formatirani morajo biti v skladu s predlogo multikonference) preko konferenčne platforme EasyChair (povezavi do konferenčne platforme EasyChair in predloge najdete na spletni strani multikonference: https://is.ijs.si/?page_id=14413).

Prejeti prispevki bodo šli čez recenzentski postopek. Prispevki so lahko napisani v slovenskem ali angleškem jeziku. V primeru, da so zapisani v slovenskem jeziku, morajo vsebovati angleški naslov, povzetek in ključne besede. Vsak avtor je lahko vodilni avtor enega prispevka.

Sprejeti prispevki bodo objavljeni v konferenčnem zborniku.

Strokovni odbor bo izbrane prispevke predlagal (v razširjeni obliki) za objavo v interdisciplinarni reviji INDECS (<http://www.indecs.eu>).

Roki in datumi

- Rok za oddajo prispevkov: 1. september 2021.
- Obvestilo avtorjem: 10. september 2021.
- Rok za oddajo končne verzije prispevkov: 20. september 2021
- Datum konference: 7. oktober 2021, Ljubljana, Institut "Jožef Stefan" (v primeru večjega števila sprejetih prispevkov bo konferenca potekala tudi 8. oktobra).
